PEACEKEEPERS INTERNATIONAL DAY
INVITATION

Lyon, le 11 mai 2009

Madam, Mister,

On the special occasion of the "Peacekeepers International Day" celebration, connected with the United Nations Palace Department at Geneva, organized again this year by our association, we deeply enjoy to invite you.

Indeed, we would be very glad of your presence among us, on May 28th 2009, within the United Nations to commemorate all men and women, civilians and military, who have given their life for peace to keep it all over the world.

This day, organized by S.P.I.A. since 2002, hand-in-hand with the United Nations, is also the mean for us to gather our numerous international delegations, to show you forward the nature and the reasons of our actions. Moreover, we have the privilege to be able to live and share this international event in the middle of the most symbolic place of Peace in the World.

So, involved with the U.N.O.G. General Secretary or his representative, several foreign delegations, diplomats and ambassadors of many sensitive countries or invested in peacekeeping operations, blue casks veterans, United Nations officials, of N.G.O.s and journalists, we will have the honor to celebrate all those (men and women) who have written, like us, their conviction in the spirit of the U.N. Charter, invested to maintain peace, who have given their life for the name of peace.

Outside the opportunity to share with you this tribute, we also offer you to discover forward our association, the width of his actions, and all the areas in which we are involved. This, as same through presentations and conferences this day, as exchanges who will raise between you, our members, volunteers who walk along with us throughout the years in our projects, our partners in humanitarian actions that we committed, and all of our relationships that support us.

On the organizational point of view, and to allow to the most to join us, we have planned a transport by bus, with a participation, departing from our office based at Lyon-La Feyssine in VILLEURBANNE.

.../...

Thank you to send us back the following applying form enclosed, dully completed and attached with a copy of your identity card (recto/verso) or passport.
